Gentlemen:-

We apparently have overlooked notifying you of the expiration of Harbor Area Lease No. 1140 covering the harbor area in front of the East 30 Feet of Lot 1, Section 14 and the West 30 Feet of Lot 2, section 14, township 24 north, range 1 east, W.M.

The lease which was issued August 9, 1938 expired in August of this year. It is assumed that the City is interested in continuing the use of this harbor area and, if so, an application to re-lease should be filed. Enclosed you will find the proper application blank which you may return with the original of expired Lease No. 1140 and a deposit of \$10.00. Upon receipt of this data, we will determine the annual rental for a new lease for an additional period.

Mr. J. W. Bryan

Dear Sir:

I received your letter of December 11, asking about payments that have been made on lease No. 977 issued to the City of Bremerton.

The City has two leases, the first, No. 977, covering the harbor area in front of the vacated portion of the northerly waterway adjoining Public Place No. 1 of Bremerton. This lease was issued August 1, 1932 for a period of thirty years. Rental is \$10.00 under this lease and it has been paid each year. Nothing further is due under this lease until August 1, 1940. The payment dates are shown on the attached slip.

Lease No. 1140 was issued August 9, 1938 and covers the harbor area in front of parts of lots 1 and 2, section 14, township 24 north, range 1 East. The rental is \$18.00 per year and was paid for the two years ending August 4, 1940.

I trust this gives you the information you need.

Very truly yours,

Commissioner. *attail*

ATTENTION: J. L. BERRY.

Dear Sir:

I have your letter of May 18, regarding construction of a sewer over the harbor area in front of lot 1, section 14, township 24 north, range 1 east W. M.

The basis of the laws affecting harbor area is found in article 15 of the State Constitution. No provision is made for the granting of easements over harbor area. A lease is the only instrument that can be issued. It appears, then, that wherever the harbor area is covered by a lease to a private party that it will be necessary to obtain an assignment of the portion of the lease covering the area desired, submit the assignment to this office for approval and then two lieu leases can be issued, one to the city for the part assigned, and the other to the private party for the portion retained. There will be a fee of \$1.00 for the approval of each assignment and a \$5.00 fee for each of the two lieu leases, making a total of \$11.00 required in each of such transactions. We are enclosing herewith assignment forms for use in such cases. Do not fill out the bond or surety form on the back of the assignment blanks because in these cases lieu leases will be issued and the bond is a part of the lease form.

Where the harbor area is open a lease can be issued directly to the city as was done in the case of lease No. 1140, issued to the City on August 9, 1938, for a term of ten years, covering the area in front of the East 30 feet of Lot 1 and the W 30 feet of Lot 2 of section 14.

The leases covering the area between High and Naval Avenues in front of Lot 7, section 11 and Lot 1, section 14 are as follows:

Lease No. 1044, issued November 1, 1934, under application No. 1074, for a term of ten years to C. G. Hansen, Box 165, Bremerton, Washington, the area in front of a portion of Lots 6 and 7, section 11 between the easterly line of Waterway No. 4 and a line running across the harbor area to the outer harbor line and at right angles

thereto from an intersection with the west line of lot 15, Bay View Garden Tracts, with the inner harbor line.

Lease No. 935, issued November 25, 1930, under application No. 952, for a term of fifteen (15) years and held by Western Gas Co., of Washington, Bremerton, Washington, covers the area in front of lots 11 to 15, inclusive, and intervening Renn Stroll, in the plat of Bay View Garden Tracts between two lines extending across the harbor area at right angles to the outer harbor line, one of said lines passing through the meander corner to sections 11 and 14 and the other through the point of intersection of the west line of said Lot 15 with the inner harbor line.

Lease No. 1123, issued January 25, 1938, under application No. 1156, for a term of ten years, to Duncan J. Clark, 1743 Penn Avenue, Bremerton, Washington, covers the area in front of Tract 23 and the N $\frac{1}{2}$ of Pennsylvania Avenue (Daly's Avenue) in the plat of Jos. Daly's Garden Tract in Lot 1, section 14, between two lines extending across the harbor area at right angles to the outer harbor line, one of said lines passing through the point of intersection of the center line of Pennsylvania Avenue with the inner harbor line and the other through the point of intersection of the west line of said tract 23 with the inner harbor line.

Lease No. 1124, issued March 18, 1938, under application No. 1153, for a term of 10 years to John P. Kuphal, 201 Bremerton Trust & Savings Bank Building, Bremerton, Washington, covers the area in front of Tract 1 and the S $\frac{1}{2}$ of Pennsylvania Avenue in the plat of Jos. Daly's Garden Tract in Lot 1, section 14, between two lines extending across the harbor area at right angles to the outer harbor line, one of said lines passing through the point of intersection of the east line produced of said tract 1 with the inner harbor line and the other through the point of intersection of the center line of Pennsylvania Avenue with the inner harbor line.

The area between lease No. 1124 and lease No. 1140 is open.

We are also enclosing a blank for use in making an application to lease covering any portion that is open.

ATTENTION MR. REED

Dear Sir:-

On Wednesday, May 17th., the City Commission of the City of Bremerton passed a resolution of intention to improve the area bounded by High and Naval Avenues, from 15th Street, North to Port Washington Narrows, by a system of storm and sanitary sewers.

This improvement will contemplate the installation of a collection sewer fronting Government Lot 1, Section 14, Twp. 24 N., R. 1 E., W. M. This collection sewer will be not less than three feet under ground and will be located just beyond the Gov't. Meander Line.

It is our intention to secure an easement for this sewer from the State of Washington, which will of course be subject to any Harbor Area leases already granted by your department. On said leases, I believe it will be necessary for the City to secure the easement from the lessee and on frontage not covered by Harbor Area leases, the easement can be secured from the State.

We will appreciate information from your department as to the number and location of all harbor area leases fronting Govt. Lot 1, and also the form of easement that would be acceptable to the Commissioner of Public Lands.

The State Department of Health is vitally interested in this district as they are anxious to keep all sanitary flows away from Port Washington Narrows. We will therefore appreciate any cooperation you may give us in order to expedite this improvement.

Yours truly,

GENERAL REMARKS

This H. A. is practically the tidelands as it starts only a little ways off shore, I believe the meander line here is on the upland a short distance. This pipe line is staked out but no actual construction has started as yet. I see no objection for a proposition of this kind as this is a storm and not a sanitary sewer. ~~There is no objection to this kind of work being done here as it is only a small craft moored here occasionally.~~

IF INSPECTOR DOES NOT ANSWER ALL QUESTIONS (or check them, thus indicating they have not been overlooked) THIS REPORT WILL BE RETURNED FOR CORRECTION.

REPORT OF ENGINEER

STATE OF WASHINGTON
OFFICE OF
COMMISSIONER OF PUBLIC LANDS

Olympia, June 1, 1938

To the Honorable Commissioner of Public Lands, Olympia Wash.:

Sir—I herewith submit the following report on Application No. 1169 by the City of Bremerton to lease harbor area in front of the east 30 feet of Lot 1 and the west 30 feet of Lot 2, section 14, township 24 north, range 1 east on Port Washington Narrows, near Bremerton, in central Kitsap County.

The harbor area in front of the east 123 feet of Lot 1, section 14 was recently applied for by Thomas J. O'Mara under Application No. 1155 but was rejected by Commissioner's Order dated March 26, 1938.

This application covers the harbor area in front of the west 30 feet of Lot 2 which is High Avenue and the east 30 feet of Lot 1, both in section 14.

The application states that the harbor area is wanted for a 12 inch cast iron storm water outfall, which is to be buried in the beach and also for the installation of a pump station for a period of 30 years. The application further states that the tide lands abutting High Avenue are owned by the City of Bremerton and states that there are no improvements on the desired harbor area.

Exhibit "A" was received in this office May 16, 1938. The pump station appears to be on the uplands, not in the harbor area as stated in the application, showing the pipe line only in the harbor area.

The County Assessor under letter of May 25, 1938, in response to office letter of May 20, 1938, places a valuation of \$300.00 upon the desired 60 foot strip of harbor area or at the rate of \$5.00 a foot. Under the O'Mara application No. 1155, which covers part of the same harbor area, a valuation of \$1.00 a foot was made by the Assessor. See Assessor's letter of September 18, 1937, under Application No. 1153.

App. #1169.
